

CeraFloor Select. The top of the range, solid stainless steel shower channel with exclusive on-trend finishes.

CeraWall Select, shown in matt PVD-coated anthracite

CeraFloor Select

CeraFloor Select, the innovation

Modern bathrooms are a reflection of the needs and desires of the user. Open and generously sized design of level-access showers are a sign of good taste, which is why we designed the CeraFloor Select shower channel, a system that develops its full effect over the surface area.

65 mm 90 mm					
Installation height	Very simple cleaning	Lengths can be adjusted	Position in the shower	Position in the shower	No sloped side sections
